

WALK THIS WAY

Little Squeaky Shoes™ are designed to motivate and encourage your little one to take their first steps, making this major life hurdle that little bit easier. Not only do the shoes help develop your baby's motor skills, they let you know where bub is at all times and are bound to keep you amused with their signature squeaky sound. Approved by podiatrists, these cute little shoes are the perfect footwear for newborns and toddlers on the go. Check out the range, starting from \$34.95 a pair, at www.littlesqueakyshoes.com.au.
